

ACCESS TO DISTRICT RECORDS

The Governing Board recognizes the right of citizens to have access to public records of the district. The Board intends the district to provide any person reasonable access to the public records of the schools and district during normal business hours and within the requirements of law. Public access shall not be given to records listed as exempt from public disclosure in the California Public Records Act and other state or federal law.

Note: Government Code 6253 authorizes the district to charge a person requesting a copy of a record a fee covering the direct costs of duplication; however, no fee can be charged to a person who wishes to inspect but not copy a record. In *North County Parents Organization for Children with Special Needs v. Department of Education*, the court determined that direct costs include only the cost of running the copy machine and possibly the expense of the person operating it. Direct costs do not include the other costs that may be associated with the request, such as searching, reviewing, or redacting the record; assisting the requester in formulating the request; responding to the request; or employee time to sit with the requester during inspection of the record. Because it is not clearly authorized by law, districts wishing to charge for the cost of the copy machine operator should consult with legal counsel.

Note: In addition, Government Code 6253 authorizes districts to provide faster access or access to more records than the minimum standards provided by law. According to the court in *North County Parents Organization*, this provision permits a district to waive or reduce its fees. For example, a district may consider waiving fees below a certain dollar threshold because the costs of collecting the fee exceed the fee amount.

The district may charge for copies of public records or other materials requested by individuals or groups. The charge shall be based on actual costs of duplication, as determined by the Superintendent or designee and as specified in administrative regulation.

In order to help maintain the security of district records, members of the public granted access shall examine records in the presence of a district staff member.
