The student may continue attending his/her school of origin for the duration of the homelessness and until the end of any academic year in which he/she moves into permanent housing. (42 USC 11432)

If the parent/guardian wishes to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434aa)

The district shall provide transportation resources for a homeless student to and from a district school of origin when the student is residing within the district and the parent/guardian requests that such transportation be provided. If the student moves outside of district boundaries but continues to attend this district's school of origin, the Superintendent or designee shall consult with the Superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an individualized education program that includes transportation as a necessary related service for the student (Education Code 48852.7)

EDUCATION FOR HOMELESS CHILDREN (continued)**Transfer of Coursework and Credits**

When a homeless student transfers into a district school, the district shall accept and issue full credit for any coursework that the student has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the student to retake the course. (Education Code 51225.2)

If the homeless student did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall be required to take the portion of the course that he/she did not complete at his/her previous school. However, the district may require the student to retake the portion of the course completed if, in consultation with the holder of educational rights for the student, the district finds that the student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a homeless student in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject. Partial credits and grades earned by a student shall be included on the student's official transcript within two business days of the district's notification of the student's transfer, as required under Education Code 49069.5.

However, when a homeless student who has completed his/her second year of high school transfers into the district from another school district or transfers between high schools within the district, he/she shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school

EDUCATION FOR HOMELESS CHILDREN (continued)

by the end of his/her fourth year of high school. Within 30 calendar days of the homeless student's transfer, the Superintendent or designee shall notify the student, the person holding the right to make educational decisions for him/her, and the district liaison for homeless students of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student is no longer homeless. (Education Code 51225.1)

To determine whether a homeless student is in his/her third or fourth year of high school, the district shall use either the number of credits he/she has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any homeless student who is granted an exemption and the person holding the right to make educational decisions for him/her how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a homeless student to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a homeless student, the person holding the right to make educational decisions for the student, or the district liaison on behalf of the student. (Education Code 51225.1)

If a homeless student is exempted from local graduation requirements, the exemption shall continue to apply after the student is no longer homeless or if he/she transfers to another school or school district. (Education Code 51225.1)

If the Superintendent or designee determines that a homeless student is reasonably able to complete district graduation requirements within his/her fifth year of high school, he/she shall: (Education Code 51225.1)

1. Inform the student and, if under 18 years of age, the person holding the right to make educational decisions for him/her, of the option available to the student to remain in school for a fifth year to complete the district's graduation requirements and how that will affect his/her ability to gain admission to a postsecondary educational institution
2. Provide information to the homeless student about transfer opportunities available through the California Community Colleges

EDUCATION FOR HOMELESS CHILDREN (continued)

3. Upon agreement with the homeless student or with the person holding the right to make educational decisions for him/her if he/she is under 18 years of age, permit the student to stay in school for a fifth year to complete the district's graduation requirements
