

**HIGH SCHOOL GRADUATION REQUIREMENTS**

Students shall have the following units at the start of the school year for class standings:

- 50 units for sophomore standing
- 105 units for junior standing
- 160 units for senior standing

Class standings will also be updated after the fall semester. Students need to have completed the following number of units in order to change their class standing after the fall semester:

- 75 units for sophomore standing
- 130 units for junior standing
- 180 units for senior standing

Students who also complete 180 units during their spring semester achieve senior standing.

Students who do not have necessary total units but have passed a prerequisite may take classes that are normally taught at a higher grade level. For example, if a student has passed English 9, 10, and 11, he or she may take English 12 even though he or she has fewer than 160 units.

Seniors who have successfully completed 175 units at the beginning of the fall semester or 200 at the beginning of the spring semester may be enrolled for five periods of which four are on campus.
