

## **CHARTER SCHOOLS**

### **Petition Signatures**

To be considered by the Governing Board, a petition for the establishment of a charter school within the district must be signed by one of the following: (Education Code 47605)

1. A number of parents/guardians equivalent to at least one-half of the number of students that the charter school estimates will enroll in the charter school for its first year of operation.
2. A number of teachers equivalent to at least one-half of the number of teachers that the charter school estimates will be employed at the school during its first year of operation. If the charter petition calls for an existing public school to be converted to a charter school, the petition must be signed by at least 50 percent of the permanent status teachers currently employed at the school. (Education Code 47605)

*(cf. 4116 - Permanent/Probationary Status)*

In circulating a petition, the petitioners shall include a prominent statement explaining that a parent/guardian's signature means that the parent/guardian is meaningfully interested in having his/her child attend the charter school or, in the case of a teacher's signature, that the teacher is meaningfully interested in teaching at the charter school. The proposed charter shall be attached to the petition. (Education Code 47605)

### **Advisory Committee**

At his/her discretion, the Superintendent or designee may establish a staff advisory committee to evaluate the completeness of a charter petition based on the requirements in Education Code 47605 and to identify any concerns that should be addressed by the petitioners.

*(cf. 2230 - Representative and Deliberative Groups)*

### **Components of Charter Petition**

A charter petition shall include affirmations that the charter school will be nonsectarian in its programs, admission policies, employment practices, and operations; not charge tuition; and not discriminate against a student on the basis of characteristics listed in Education Code 220. It shall also contain reasonably comprehensive descriptions of: (Education Code 47605, 47611.5)

1. The educational program of the school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling students to become self-motivated, competent, and lifelong learners.

**CHARTER SCHOOLS (Continued)**

The petition shall include a description of annual goals for all students and for each numerically significant subgroup of students identified pursuant to Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. These goals shall be aligned with the state priorities listed in Education Code 52060 that apply to the grade levels served or the nature of the program operated by the charter school. The petition also shall describe specific annual actions to achieve those goals. The petition may identify additional priorities established for the proposed school, goals aligned with those priorities, and specific annual actions to achieve those goals.

*(cf. 0420.41 - Charter School Oversight)*

*(cf. 0460 - Local Control and Accountability Plan)*

If the proposed school will serve high school students, the petition shall describe the manner in which the charter school will inform parents/guardians about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable, and courses approved by the University of California or the California State University as creditable under the "A-G" admissions criteria may be considered to meet college entrance requirements.

2. The measurable student outcomes identified for use by the charter school. Student outcomes means the extent to which all students of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program, including outcomes that address increases in student academic achievement both schoolwide and for each numerically significant subgroup of students served by the charter school. The student outcomes shall align with the state priorities identified in Education Code 52060 that apply for the grade levels served or the nature of the program operated by the charter school.

3. The method by which student progress in meeting those student outcomes is to be measured. To the extent practicable, the method for measuring student outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.

*(cf. 0510 - School Accountability Report Card)*

4. The governance structure of the school, including, but not limited to, the process to be followed by the school to ensure parent/guardian involvement.

5. The qualifications to be met by individuals to be employed by the school.

6. The procedures that the school will follow to ensure the health and safety of students and staff. These procedures shall include the requirement that each school employee furnish the school with a criminal record summary as described in Education Code 44237.

**CHARTER SCHOOLS (Continued)**

7. The means by which the school will achieve a racial and ethnic balance among its students that is reflective of the general population residing within the district's territorial jurisdiction.

8. The charter school's student admission policy. The petition shall, in accordance with Education Code 47605(d), specify procedures for determining enrollment when the number of applicants exceed the school's capacity, including requirements for the use of a public random drawing, admission preferences, and priority order of preferences as required by law and subject to Board approval.

9. The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the Board.

10. The procedures by which students can be suspended or expelled for disciplinary reasons or otherwise involuntarily removed for any reason, including an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements as specified in Education Code 47605(b).

Such procedures shall also include processes by which the charter school will notify the superintendent of a district and request to be notified by a district about a student when the circumstances specified in Education Code 47605(d) exist.

11. The manner by which staff members of the charter school will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security.

12. The public school attendance alternatives for students residing within the district who choose not to attend charter schools.

13. A description of the rights of any district employee upon leaving district employment to work in a charter school and of any rights of return to the district after employment at a charter school.

14. The procedures to be followed by the charter school and the Board to resolve disputes relating to charter provisions.

15. A declaration as to whether or not the charter school shall be deemed the exclusive public school employer of the school's employees for purposes of collective bargaining under Government Code 3540-3549.3.

16. The procedures to be used if the charter school closes including, but not limited to: (5 CCR 11962)

- b. Notification to parents/guardians, the Board, the county office of education, the special education local plan area in which the school participates, the retirement systems in which the school's employees participate, and the California Department of Education, providing at least the following information:
  - (1) The effective date of the closure
  - (2) The name(s) and contact information of the person(s) to whom reasonable inquiries may be made regarding the closure
  - (3) The students' districts of residence
  - (4) The manner in which parents/guardians may obtain copies of student records, including specific information on completed courses and credits that meet graduation requirements
- c. Provision of a list of students at each grade level, the classes they have completed, and their districts of residence to the responsible entity designated in accordance with item #16a above
- d. Transfer and maintenance of all student records, all state assessment results, and any special education records to the custody of the responsible entity designated in accordance with item #16a above, except for records and/or assessment results that the charter may require to be transferred to a different entity
- e. Transfer and maintenance of personnel records in accordance with applicable law

1. The facilities to be used by the school, including where the school intends to locate

*(cf. 7160 - Charter School Facilities)*

2. The manner in which administrative services of the school are to be provided
3. Potential civil liability effects, if any, upon the school and district
4. Financial statements that include a proposed first-year operational budget, including start-up costs and cash-flow and financial projections for the first three years of operation

### **Location of Charter School**

Unless otherwise exempted by law, any charter petition shall identify a single charter school that will operate within the geographic boundaries of the district. A charter school may propose to operate at multiple sites within the district as long as each location is identified in the petition. (Education Code 47605, 47605.1)

A charter school that is unable to locate within the district's jurisdictional boundaries may establish one site outside district boundaries but within the county, provided that: (Education Code 47605, 47605.1)

1. The district is notified prior to approval of the petition.
2. The County Superintendent of Schools and Superintendent of Public Instruction (SPI) are notified before the charter school begins operations.
3. The charter school has attempted to locate a single site or facility to house the entire program but such a facility or site is unavailable in the area in which the school chooses to locate, or the site is needed for temporary use during a construction or expansion project.

A charter school may establish a resource center, meeting space, or other satellite facility located in an adjacent county if both of the following conditions are met: (Education Code 47605.1)

1. The facility is used exclusively for the educational support of students who are enrolled in nonclassroom-based independent study of the charter school.

## **CHARTER SCHOOLS (Continued)**

2. The charter school provides its primary educational services in, and a majority of the students it serves are residents of, the county in which the school is authorized.

### **Charter Approval/Denial**

Within 5 days of receiving the petition, a preliminary review will be completed to determine that the petition includes all the required information. The petitioner will be notified of the review findings. If the required information is not included, the petition will be returned to the petitioner to include the missing requirements.

Within 30 days of the determination that the packet is complete, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the district, and parents/guardians. (Education Code 47605)

*(cf. 9320 - Meetings and Notices)*

Within 60 days of receiving a petition, or within 90 days with the consent of the petitioners and the Board, the Board shall either grant or deny the request to establish a charter school. (Education Code 47605)

The Board shall grant the charter if doing so is consistent with sound educational practice. A charter shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)

1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b) listed in "Components of Charter Petition" above.

The Board shall not grant any charter that authorizes the conversion of a private school to a charter school. (Education Code 47602)

## **CHARTER SCHOOLS (Continued)**

The Board shall not approve any charter petition that proposes to serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district. (Education Code 47605)

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan area (SELPA) in which the district participates. (Education Code 47605.7, 47647)

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

In granting charter petitions, the Board shall give preference to schools best able to provide comprehensive learning experiences for academically low-achieving students according to standards established by the California Department of Education (CDE) under Education Code 54032. (Education Code 47605)

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

It shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the charter to the County Superintendent, the CDE, and the State Board of Education (SBE). (Education Code 47605)

## **Material Revisions**

Material revisions to a charter may be made only with Board approval. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If, after receiving approval of its petition, a charter school proposes to establish operations at one or more additional sites within the district's boundaries, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

## **Renewals**

A charter school seeking renewal of its charter shall submit a written request to the Board at least 120 days before the term of the charter is due to expire.

## **CHARTER SCHOOLS (Continued)**

At least 90 days before the term of the charter is due to expire, the Board shall conduct a public hearing to receive input on whether or not to extend the charter. At least 60 days before the expiration date, the Board shall either grant or deny the request for renewal.

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

In addition, after a charter school has been in operation for four years, a charter school shall meet the following criteria prior to receiving a charter renewal: (Education Code 47607)

1. The Board determines that the academic performance of the charter school is at least equal to the academic performance of the public schools that the charter school students would otherwise have been required to attend, as well as the academic performance of district schools, taking into account the composition of the student population that is served at the charter school.

The Board's determination shall be based on documented, clear, and convincing data; student achievement data from California Assessment of Student Performance and Progress results, and any other available assessments, for demographically similar student populations in comparison schools; and information submitted by the charter school. The Board shall submit to the SPI copies of supporting documentation and a written summary of the basis for its determination.

A charter renewal may not be granted to a charter school prior to 30 days after the school submits related materials.

2. The charter school qualifies for an alternative accountability system pursuant to Education Code 52052(h).

Each renewal shall be for a period of five years. (Education Code 47607)

## **Revocations**

The Board may revoke a charter whenever it finds, through a showing of substantial evidence, that the charter school has done any of the following: (Education Code 47607)

1. Committed a material violation of any of the conditions, standards, or procedures set forth in the charter
2. Failed to meet or pursue any of the student outcomes identified in the charter

### **CHARTER SCHOOLS (Continued)**

3. Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement
4. Violated any provision of law

Prior to revocation, the Board shall notify the charter school of any violation(s) listed in items #1-4 above and give the school a reasonable opportunity to remedy the violation(s) unless the Board determines, in writing, that the violation(s) constitutes a severe and imminent threat to the health or safety of the students. (Education Code 47607)

If the charter school does not successfully remedy the above violation(s), the Board shall provide the charter school with a written notice of intent to revoke the charter and notice of facts in support of revocation. No later than 30 days after providing the notice of intent to revoke the charter, the Board shall hold a public hearing, in the normal course of business, on the issue of whether evidence exists to revoke the charter. No later than 30 days after the public hearing, unless the Board and the charter school agree to a 30-day extension, the Board shall issue its final decision as to whether or not to revoke the charter. The Board shall not revoke a charter unless the action is supported by written factual findings supported by substantial evidence specific to the charter school. A decision to revoke a charter shall be reported to the County Board of Education and the CDE. (Education Code 47607)

### **Requirements for Charter Schools**

In providing general oversight of a charter school, the Board shall determine whether the school meets the legal requirements applicable to charter schools. Each charter school shall:

(Education Code 47605)

However, if a charter school will be physically located in a public elementary school attendance area in which 50 percent or more of the student enrollment is eligible for free or reduced-price meals, it may also establish an admissions preference for students who are currently enrolled in the public elementary school and for students who reside in the public school attendance area. (Education Code 47605.3)

b. If the number of students who wish to attend the charter school exceeds the school's capacity, attendance shall be determined by a public random drawing, except that preferences shall be extended to students currently attending the charter school and students who reside in the district, except as provided for in Education Code 47614.5. In the event of a drawing, the Board shall make reasonable efforts to accommodate the growth of the charter school and shall not take any action to impede the charter school from expanding enrollment to meet student demand. (Education Code 47605)

c. Other admissions preferences may be permitted by the Board on an individual school basis as consistent with law.

8. Require its teachers to hold a Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold (Education Code 47605)
